PERSONAL PROJECTS

Newspaper Agency Automater
○ I used my Java skills to make desktop software which helps in reducing physical efforts in many tasks done at newspaper agency.
○ Technology Used: Core Java, Javafx.

Restro Website
○ I made a restrorant website named DT restrorant.In which you can put order, Book table, or many other things.
○ Technology Used:HTML, CSS, Javascript.

ATM System
○ I made a Bank ATM system which is safe as you have to put the correct pin code before any kind of transaction.
○ Technology Used: C++

Search Engine
○ I made a front-end for a search engine named Ciega. My motive is that the Ciega engine can be used by those people whose vision is too weak.
○ Technology Used: HTML and CSS.
